Discoveries

Lake Kammersee

After a short hike from the far end of the Toplitzsee lake, you will reach the mystical Kammersee lake, which is only accessible by boat. According to legend, wild women once bathed there, the sight of which was the undoing of many a man. Enjoy the tranquil, unique natural surroundings.

Mayor's bench

The Bürgermeisterbankerl is an idyllic vantage point above Lake Altaussee and was built by the then mayors Sepp Amon (Grundlsee), Otto Marl (Bad Aussee) and Hans Grieshofer (Altaussee). Situated at around 939 m above sea level, it offers a magnificent view of the lake and the surrounding mountains. The site can be reached via a short, shady footpath from the Tressensattel and is also easily accessible for less experienced hikers.
